

A well-respected multi-specialty clinic in the Monterey County is looking for Staff Physician to join our team!

The Medical Group currently has four clinics located in one of the most beautiful areas of the US along the Central California Coast. The region has the best of the best in terms of golf courses, vineries, hiking, surfing and many other cultural, outdoors and indoors sports activities. Excellent private and public schools (ranked nationally) and an extremely low crime-rate make this an excellent area to live for families and single individuals alike. The San Francisco Bay Area is a 90 minute drive.

The Medical Group flagship center has a state of the art EMR software along with onsite x-ray, laboratory, psychiatry, physical therapy. The group is managed by a group of seasoned industry executives who focus on the administration while the physicians independently deliver patient care under the leadership of an experienced medical director.

\* We allow a generous amount of time with each patient for better quality of care and all treatment is administered by the therapist

\* We are recognized as a leader in our community for outpatient, quality services.
